Declaration of Conformity

According to the EC-Directive 94/9/EC dd 23. March 1994
„Equipment intended for use in potentially explosive atmospheres“:

The manufacturer

niwatec GmbH
Gewerbepark 18
D-49143 Bissendorf

declares, that the following product:

Type: Actuator, Type NWS
Model range: Symmetric Yoke

is according to Article 1, (3) a) of the Directive 94/9/EC. This actuator, described in the operating and safety instructions, is intended for use in potentially explosive atmospheres.

The actuator meets fundamental safety- and health requirements according to Appendix II of the Directive 94/9/EC and the following harmonized standards:

E-DIN EN 13463-1: 2007
DIN EN 13463-5: 2003

The actuator is marked with:

CE Ex II 2G IIC T4 X

According to Article 8, (1) b) ii) of the Directive 94/9/EC, in connection with the Appendix VIII, an ignition hazards assessment report has been included in the required technical documentation.
